LATE BIDS WILL NOT BE ACCEPTED

NOTE: ONLY BIDS WRITTEN IN INK OR TYPEWRITTEN, AND PROPERLY SIGNED BY A MEMBER OF THE FIRM OR AUTHORIZED REPRESENTATIVE, WILL BE ACCEPTED. PENCIL AND/OR PHOTOSTATIC FIGURES OR SIGNATURES DISQUALIFY BID.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

THE FOLLOWING INSTRUCTIONS APPLY TO ALL BIDS

All bids submitted are subject to these instructions and general conditions and any special conditions and specifications contained herein, all of which are made part of this bid proposal reference. THIS BID PACKAGE MUST BE RETURNED IN ITS ENTIRETY.

Questions on this bid are to be faxed to (504) 364-2693 no later than FIVE (5) working days prior to bid opening. Bid numbers should be mentioned in all requests.

The purpose and intention of this invitation to bid is to afford all suppliers an equal opportunity to bid on all construction, maintenance, repair, operating supplies and/or equipment listed in this bid proposal. JEFFERSON PARISH will accept one bid only from each vendor. Items bid must meet or exceed specifications.

JEFFERSON PARISH will accept one price for each item unless otherwise indicated. Two or more prices for one item will result in bid rejection.

If the bid exceeds \$20,000.00 and the bidder is an agency, corporation, partnership, or other legal entity, the president, vice-president, secretary/treasurer, or an authorized agent, shall sign the proposal, and satisfactory evidence of the authority of the person signing for the agency, corporation, partnership, or other legal entity shall be attached to the proposal.

AWARD OF CONTRACT: JEFFERSON PARISH reserves the right to award contracts or place orders on a lump sum or individual item basis, or such combination, as shall in its judgment be in the best interest of JEFFERSON PARISH. Every contract or order shall be awarded to the LOWEST RESPONSIBLE BIDDER, taking into consideration the CONFORMITY WITH THE SPECIFICATIONS and the DELIVERY AND/OR COMPLETION DATE.

Preference is hereby given to materials, supplies, and provisions produced, manufactured or grown in Louisiana, quality being equal to articles offered by competitors outside the state. "LSA-R.S.38:2251-2261"

USE OF BRAND NAMES AND STOCK NUMBERS: Where brand names and stock numbers are specified, it is for the purpose of establishing certain minimum standards of quality. Bids may be submitted for products of equal quality, provided brand names and stock numbers are specified. Complete product data may be required prior to award.

CANCELLATION OF CONTRACT: JEFFERSON PARISH reserves the right to cancel all or any part if not shipped promptly. No charges will be allowed for parking or cartage unless specified in quotation. The order must not be filled at a higher price than quoted. JEFFERSON PARISH reserves the right to cancel any contract at anytime and for any reason by issuing a THIRTY (30) day written notice to the contractor.

For good cause and as consideration for executing a contract with Jefferson Parish, vendor conveys, sells, assigns and transfers to Jefferson Parish or its assigns all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of Louisiana, relating to the particular good or services purchased or acquired by Jefferson Parish.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

JEFFERSON PARISH requires a firm price. Quoted price will remain firm until _____

PRICES: Jefferson Parish is exempt from paying sales tax under LSA-RS 47:301 (8)(c). All prices for purchases by Jefferson Parish of supplies and materials shall be quoted in the unit measure specified and unless otherwise specified, shall be exclusive of state and Parish taxes. If a contractor is to act as Purchasing Agent for tax-exempt purposes, the Parish shall specifically state so within this bid specification. All quotations shall be based on F.O.B. Agency warehouse or job site, anywhere within the Parish as designated by the Purchasing Department.

Quantities listed are for bidding purposes only. Actual requirements may be more or less than quantities listed.

Bidders are not to exclude from participation in, deny the benefits of, or subject to discrimination under any program or activity, any person in the United States on the grounds of race, color, national origin, or sex; nor discriminate on the basis of age under the Age Discrimination Act of 1975, or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, or on the basis of religion, except that any exemption from such prohibition against discrimination on the basis of religion as provided in the Civil Rights Act of 1964, or Title VI and VII of the Act of April 11, 1968, shall also apply. This assurance includes compliance with the administrative requirements of the Revenue Sharing final handicapped discrimination provisions contained in Section 51.55 (c), (d), (e), and (k)(5) of the Regulations. New construction or renovation projects must comply with Section 504 of the 1973 Rehabilitation Act, as amended, in accordance with the American National Standard Institute's specifications (ANSI A117.1-1961).

RESPONSE TO INVITATION: If your company is unable to bid on this request, please state your reason on bid form, and return to this office before bid opening date. Failure to do so may result in the removal of your company from Jefferson Parish's vendors list.

The general specifications for construction projects and the purchase of materials, services and/or supplies are those adopted by the JEFFERSON PARISH Council by Resolution No. 105529 or 105530 dated 5/17/06. The general conditions adopted by this resolution shall be considered as much a part of this document as if they were written wholly herein. A copy may be obtained from the Office of the Parish Clerk, Suite 6700, Jefferson Parish General Government Building, 200 Derbigny Street, Gretna, LA 70053.

POSTING OF BIDS: Non-Advertised bids will be posted on bulletin board in Suite 4400, Jefferson Parish General Government Building, Gretna, LA, for a period of Five (5) working days after opening date.

Advertised bids will be tabulated and a copy forwarded to each responsive bidder.

ADDITIONAL REQUIREMENTS FOR THIS BID

PLEASE MATCH THE NUMBERS PRINTED IN THIS BOX WITH THE CORRESPONDING INSTRUCTIONS BELOW.

2,3,5,6,7,8,9,10,11 12,13,14,15,16

1. All bidders are invited to attend the pre-bid conference. Failure to attend the pre-bid conference shall not relieve the bidder of responsibility for information discussed at the conference. This conference is held to allow questions to be answered and inspect the site with owner's representative, etc. Failure to attend the pre-bid conference and inspection does not relieve the successful bidder from the necessity of furnishing materials or performing any work that may be required to complete the work in accordance with the specification (with no additional cost to the owner).
2. Contractor must hold current applicable JEFFERSON PARISH licenses with the Department of Inspection and Code Enforcement. Contractor shall obtain any and all permits required by the JEFFERSON PARISH Department of Inspection and Code Enforcement. The contractor shall be responsible for the payment of these permits. All permits must be obtained prior to the start of the project.
3. A Louisiana state contractor's license may be required in accordance with LSA-R.S. 37:2150 et seq.

INSTRUCTIONS FOR BIDDERS AND GENERAL CONDITIONS

4. It is the bidder's responsibility to visit the job site and evaluate the job before submitting a bid.
5. Job site must be clean and free of all litter and debris daily and upon completion of the contract. Passageways must be kept clean and free of material, equipment, and debris at all times. Flammable material must be removed from the job site daily because storage will not be permitted on the premises. Precautions must be exercised at all times to safeguard the welfare of JEFFERSON PARISH and the general public.
6. All awards in excess of \$5,000.00 for the construction, alteration, or repair of any public works will be reduced to a formal contract which shall be recorded at the contractor's expense. A price list of recordation costs may be obtained from the Clerk of Court and Ex-officio Recorder of Mortgages for the Parish of Jefferson. All awards in excess of \$25,000.00 reduced to formal contract will require a performance bond.
7. A performance bond will be required for this bid. The amount of the bond will be 100% of the contract price unless otherwise indicated in the specifications. Performance bond shall be supplied at the signing of the contract.
8. Please indicate if you have insurance: YES _____ NO _____
Successful bidder will be required to furnish proof of insurance to this office.
Successful bidder will be required to furnish Federal I.D. Number.
9. Minimum insurance requirements for this bid are as indicated on the attached sheet.
10. Each bid must be accompanied by a cashier's check, certified check, money order, or surety bid bond in the amount of 5% of the bid.
11. Affidavit required to be submitted with bids on all solicitations for construction, alteration or demolition of public building or project. (LSA-R.S. 38:2224)
12. This is a requirements contract to be provided on an as needed basis.
13. All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO _____

MAXIMUM ESCALATION PERCENTAGE REQUESTED _____%

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF _____.

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.

14. In the event that the successful bidder cannot furnish a specific item or material and labor in the required time, JEFFERSON PARISH may purchase on an emergency basis from the next lowest bidder, or available source, until such time as the successful bidder has notified the PARISH in writing that his stock or labor capability has been replenished. The difference in price will be charged against the successful bidder of this contract, and evidence of purchases and price will be provided.
15. Vendor will be required to submit to the chief buyer of the JEFFERSON PARISH Purchasing Department a quarterly usage report by item of all items listed on this proposal.
16. Freight charges should be included in total cost when quoting. If not quoted FOB DELIVERED, freight must be quoted as a separate item. Bid may be disqualified if not quoted FOB DELIVERED or if freight charges are not indicated on bid form.

EMERGENCY REPAIR OF WATER DISTRIBUTION SYSTEM - 2010

A one year (1) contract for emergency repair of water lines for the Jefferson Parish Department of Public Works (Water), East and West Bank Divisions to begin on June 1, 2010 or and will terminate on May 31, 2011. The date the contract is executed, whichever date is later.

Bidders must provide hourly rates for heavy equipment (backhoes, dump trucks, excavators and portable pumps), and labor generally necessary for the proper repair of water lines following a natural disaster or terrorist attack. Incidental tools and equipment, personnel transportation, or other incidental items are to be supplied at No Direct Pay. Materials are intended to be supplied by Jefferson Parish.

Parish will contact the Bidder within 24 hours of landfall of a Hurricane/Tropical Storm to provide instructions (As Necessary). In the event that the Parish is unable to contact the contractor, then it shall be the responsibility of the contractor to contact appropriate Parish personnel Randy Schuler-Director, by phone at the Emergency Operating Center (EOC) at 504-349-5360, 1887 Ames Boulevard, Marrero, LA 70072, Bob Dale, Assistant Director, by phone at the WB Plant at 504-349-5086, 4500 WB Expressway or in person to determine if services are required. In the event of a sudden natural disaster or other State of Emergency, appropriate Parish personnel will contact the contractor if services are required. Bidder must be prepared to mobilize and be ready to work within 24 hours of receiving notification following a major event.

Bidder will be required to be completely self-sustaining (provide own food, shelter, fuel, etc.) during the work period.

Upon award of a contract to the lowest responsible bidder, the parties will enter into a non-exclusive contract and the Parish retains the right to obtain similar services from additional providers, if necessary. The parties intend the parish to procure other services from contractors when to do so would result in services being obtained in a more prompt and economic manner, due to the emergency nature of the work.

A completed performing bond will not be required at the signing of the contract. Performance bond will be required at the time of notice-to-proceed is issued should the services of this contract be required.

The Parish is not restricted from utilizing its own personnel and equipment or the personnel or equipment of other governmental entities or of any other entities or contractors when the services performed by those entities can be performed with greater speed or less cost to the Parish.

As this is an emergency response contract, the actual work to be performed may significantly vary from the estimated quantities. Therefore, Jefferson Parish

reserves the right to eliminate items of work and increase or decrease the estimated quantities for items of work to meet existing conditions without allowing for any reevaluation and adjustment to the unit prices for the individual items of work.

It is understood that this contract will be utilized on an emergency basis only. Under no circumstances should bidders assume that this contract will be utilized for normal daily activities of Jefferson Parish.

JEFFERSON PARISH DEPARTMENT OF WATER
JEFFERSON PARISH, LOUISIANA

SPECIFICATIONS
AND
CONTRACT DOCUMENTS
FOR
EMERGENCY REPAIR OF WATER LINES

PROPOSAL NO. 50-96791

1.01 Jefferson Parish General Specifications: The general specifications for these contract documents are set forth in Jefferson Parish Council Resolution No 113647, adopted December 9, 2009. The resolution containing the uniform set of general specifications is not reproduced herein, however, bidders shall be presumed to have full knowledge of these general conditions. Copies are, at all times, available with the Clerk of Jefferson Parish Council, General Government Building, 200 Derbigny Street, Suite 6700, (504)364-2626.

1.02 Because of the nature of this contract, on an as needed basis, liquidated damages will not be assessed. If the Contractor should fail to complete issued work orders in a timely manner and to the satisfaction of the Parish the issuance of additional work orders will be withheld, and may result in contract termination.

1.03 Bonds

Each bid must be accompanied by a certified check, cashier's check or bid bond acceptable to the Owner in the amount equal to at least five percent (5%) of the total amount bid and payable without condition to the Owner as a guarantee that the bidder, if awarded the contract, will promptly execute a contract in accordance with his proposal and all terms and conditions of the Contract Documents.

Contractor will furnish a performance bond and labor, material and payment bond, both in amount of 100% of the contract price, for any and all Notices to Proceed, within 24 hours of the Contractor's receipt of the Notice to Proceed. If due to emergency conditions, the Contractor cannot obtain and furnish the bonds within 24 hours, the Contractor shall provide written justification for the delay and obtain the bonds as soon as possible. In no case will any payment be issued for work performed by the Contractor until both bonds have been furnished. The cost of the bond premiums will be the responsibility of the Contractor.

1.04 Emergency Personnel Requirements

The work demands of this contract will require the Contractor to be able to respond (mobilize and be ready to work) to emergencies within twenty-four hours of notification. Contractor is required to provide the Parish with contact information for two employees who will be available at all times and have authority to authorize work. Contact information must be updated and kept current at all times.

1.05 Scheduling of Work

Once work has begun at a specific location, the Contractor must diligently pursue the work to be done until the work is completed. The Parish reserves the right to order the Contractor to dispatch additional men and equipment to the job site if, in the opinion of the Project Manager, work is not proceeding in an orderly manner

2.01 Estimated Quantities

This is an hourly rate contract and the quantities of hours shown on the "Bid Form" are for comparison of bids only. Quantity of hours of work performed under this contract will be on an as needed basis and actual quantities may vary significantly from the quantities stated in the Bid Form (Quantities shown may be increased, decreased or not used at all.)

2.02 Measurement and Payment

A. Measurement: Measurement for payment for water line repairs will be based on the hours the equipment and manpower listed in the Bid Form are used.

B. Payment:

Labor and Equipment

Payment for water line repairs will be at the hourly rates quoted in the Bid Form for respective types of equipment and manpower

Materials

It is the intent of Jefferson Parish to supply all materials generally required to repair water lines including, pipe, fittings, valves, hydrants, clamps, restrainer glands, and water meters, sand and stone. Should circumstances dictate that Jefferson Parish cannot provide needed materials in a timely manner the contractor may be asked to provide materials. In such cases the contractor will be compensated at the face value stated on the material vendor invoice. No mark up will be paid for contractor supplied materials.

2.03 Minimum Number of Work Crews

Though difficult to predict, the volume of emergency repair work resulting from a future natural disaster or terrorist act could be substantial. Consequently, the successful bidder must be able to supply minimum number of work crews as listed below:

Large Line Repair Crews Four (4) total crews
Medium Line Repair Crews Twelve (12) total crews
Small Line Repair/Backfill Crews Six (6) total crews

Should the nature of the emergency or volume of work dictate, the contractor may be asked to provide additional crews and necessary equipment. If the contractor does not have the capacity to do so with its own resources, he will be allowed to subcontract additional crews and equipment at the same crew rates as quoted. All subcontractors must be approved by the Director of the Jefferson Parish Department of Water.

In addition, Jefferson Parish reserves the right to hire additional contractors should it deem necessary.

Conversely, should the nature of the emergency or volume of work dictate, the contractor may be asked to provide fewer than the minimum required crews.

2.04 Crew Description

Large Pipe Repair Crew (7 to 9 members) Crew will be capable of repairing/replacing sections of large line sizes from 30 inch diameter to 60 inch diameter. Contractor will supply adequate manpower and larger equipment required to make effective and timely repairs to larger line sizes.

Medium Pipe Repair Crew (4 to 6 members) Crew will be capable of repairing/ replacing sections of line sizes from 4 inch diameter to 24 inch diameter. Contractor will supply adequate manpower and equipment required to make effective and timely repairs to these small to medium size lines.

Small Pipe Repair/Backfilling Crew (2 to 3 members) Crew will be capable of repairing/reinstalling tubing ranging in size from $\frac{3}{4}$ inch up to 3 inch. Small repair crew could also be used as a backfill crew which would perform backfilling and site dressing at locations where repairs were made by pipe repair.

TECHNICAL SPECIFICATIONS

Water Line Repairs

3.01 General

Water line repair work will include but will not be limited to the following:

- Repair of waterlines ranging in size from ¾ inch diameter tubing to 60 inch diameter mains.
- Repair of water lines of all material types including PVC, HDPE, Cast Iron, Ductile Iron, Steel, Asbestos Coated and Price Brothers (concrete) pipe.
- Types of repair will include applying repair clamps, cutting out and replacing sections of pipe, cutting out and replacing fittings and valves, removing and replacing fire hydrants, removing and replacing meters, turning off water at meters.
- Removing and disposing of concrete sidewalks, driveways, street panels and small to medium sized landscaping and soil as necessary to access the damaged water line. (Disposal site will be designated at the time work is to commence and will be within a 15 mile radius of the job site.)

NOTE: Removal of larger trees will be accomplished by a tree removal contractor under separate contract. Tree removal contractor will be responsible to clear the work site of larger trees and stumps so that the damaged water line can be accessed for repair by the water line repair contractor.

- Backfilling excavations after repair is completed with sand or stone as required.
- Contractor will be required to locate and operate system valves as required to shut off water to isolate the damaged section of waterline and open valves upon completion of the repair.
- A daily log shall be maintained to record the location, size of line, type of line and type of repair made including listing of materials used. This information is to be recorded on Jefferson Parish Work Order Form (see attached FIG 1)

3.02 Equipment

The following heavy equipment typically required for waterline repair work in Jefferson Parish is as follows:
